## RULLY 1ER CRU MONTPALAIS

---

2022

---

### DÉGUSTATION

Even though the young Rully 1er Cru Montpalais vine is practically located in the heart of the Premiers Crus hill and benefits from a rather hot climate, we perceive on the nose a surprising aromatic freshness. This Montpalais 2022 is less exuberant than usual, more fine with floral notes that are very pleasant to smell, all wrapped up by a subtle presence of oak, very ethereal and floral.

The palate remains fresh, almost caressing and appetising. The flavours are rich and seductive, with the oak from the barrels and demi-muids not being so noticeable. As for the finish, it remains, deep without any signs of heat nor tiredness from the wine.

A wine happy to be drunk today.
