BOURGOGNE

RULLY 1ER CRU RABOURCÉ

2022

DÉGUSTATION

Located to the north of the Premiers Crus de Rully hill, the vines here are cultivated on one of the warmest terroirs of Rully with a South, South-eastern exposure.

This exposure translates itself with notes of white flowers, honey and fresh citrus fruits.

On the palate, it is the energy coming from the alliance of the Chardonnay and the terroir of the Rabourcé which surprises, with an aromatic freshness enhanced on the finish by light bitter notes creating a beautiful expression of salinity. A great dynamic wine of strength, power and an ethereal nature all at the same time. It is already very pleasant to drink but will reward your patience.
