RULLY 1ER CRU RACLOT

2023

DÉGUSTATION

The Rully 1er Cru Raclot 2023 is a wine of fine aromatic intensity on the nose, revealing both fruity and floral notes.

The limestone imprint of the terroir is expressed through this young vine with great refinement, combining Chardonnay fruit with a fine mineral tension on the finish.

The harmony between the acidity of the juice, the maturity of the fruit, and the saline finesse of the terroir gives this wine real energy and a true identity, currently discreet due to the presence of wood. In a few months, the wood from the barrels and demi-muids will have integrated, and the wine will be ready to drink.
